all the loving you now and later  
all the kisses and saying i love yous  
are now just simply fading memories  
and  
all the love we used to share has now  
somehow faded out

this really must be what its like  
to be out of luck  
(im a chick out of luck)  
and i cant seem to find what it is  
that i lost back then  
all the things i held so tight  
cause i let it go the day we fell inlove  
but now im a chick out of luck(chick out of luck)

all the broken pieces  
all the kings and all the kings men  
could never put me back together again

this really must be what its like  
to be out of luck  
(im a chick out of luck)  
and i cant seem to find what it is  
that i lost back then  
all the things i held so tight  
cause i let it go the day we fell inlove  
but now im a chick out of luck(chick out of luck)

i have fallen and i have been broken  
ive broken all the rules  
when it comes to dating  
i gave my heart away too soon  
and now look at me

im a mess i havent slept since we broke up  
and i cant seem to get my head together  
cant stop thinkig of you(cant get you outta my head)

this really must be what its like  
to be out of luck  
(im a chick out of luck)

and i cant seem to find what it is  
that i lost back then  
all the things i held so tight  
cause i let it go the day we fell inlove  
but now im a chick out of luck(chick out of luck)
