don't try to tell me that you're sorry for breaking this  
fragile heart of mine, this fragile heart of mine you say  
that it was a big mistake you say that it'll never happen  
ever again but i don't believe a word that you say you  
broke this fragile heart of mine, this fragile heart of  
mine

i try and i try and i try to be good to you but you  
betrayed my trust you threw it all away and now there's  
nothing left here for us

just a heart that's been broken shattered into a million  
pieces there's smoke clouding my views now i'm lost in  
the sea of loneliness this despair drowning in my  
misery tell me is there a cure for the pain hidden deep  
inside

don't try to tell me that you're sorry for breaking this  
fragile heart of mine, this fragile heart of mine you say  
that it was a big mistake you say that it'll never happen  
ever again but i don't believe a word that you say you  
broke this fragile heart of mine, this fragile heart of  
mine

wake up wake up from this nightmare crying these  
tears that nobody sees all my cries for help nobody  
hears and you don't even care at all you just watch it all  
fall apart

don't try to tell me that you're sorry for breaking this  
fragile heart of mine, this fragile heart of mine you say  
that it was a big mistake you say that it'll never happen  
ever again but i don't believe a word that you say you  
broke this fragile heart of mine, this fragile heart of  
mine

what did i do or say to make you act like this what did i  
do or say? to make your heart grow so cold your words  
they cut like knives and swords and i am here on the  
ground i see who you really are

you're not the kinda man i thought that you were a kind

gentle loving hearted man your the opposite your a jerk  
and i hate what you did to me though i love you i love  
you and it hurts so bad to see it all falling apart oh its  
so sad so sad it has finally come to this yeah

dont try to tell me that youre sorry for breaking this  
fragile heart of mine,this fragile heart of mine you say  
that it was a big mistake you say that itll never happen  
ever again but i dont believe a word that you say you  
broke this fragile heart of mine,this fragile heart of  
mine

i wish we could go back to those days where we used to  
be so in-love close together but its all been lost theres  
no hope for us anymore so i guess...its over now...i cry  
a thousand tears all because you hurt me and you  
broke my smile now all i do is,all i do is,all i do is...cry  
for you

this fragile heart of mine...this fragile heart of mine is  
in pieces on the ground crying hoping wishing praying  
for better days to come for love to mend my broken  
and bruised heart

dont try to tell me that youre sorry for breaking this  
fragile heart of mine,this fragile heart of mine you say  
that it was a big mistake you say that itll never happen  
ever again but i dont believe a word that you say you  
broke this fragile heart of mine,this fragile heart of  
mine

dont try to tell me that youre sorry for breaking this  
fragile heart of mine,this fragile heart of mine you say  
that it was a big mistake you say that itll never happen  
ever again but i dont believe a word that you say you  
broke this fragile heart of mine,this fragile heart of  
mine

this fragile heart of mine,this fragile heart of mine
