have you ever wondered what life would be like is it  
wasnt so complicated?  
have you ever wondered why it is that peoples hearts  
grow cold?  
have you ever?  
have you ever?  
have you ever cried yourself to sleep at night thinking  
that the pain would fade away? and  
have you ever sat there just watched your life pass you  
by?  
have you ever?  
have you ever?  
have you ever wished for love to come along and  
sweep you off your feet and pull you out of the dark  
waters  
out of the darkness that surrounds you  
have you ever?  
have you ever?

people just look at you and they turn a blind eye  
and walk away  
your heart is aching your heart is breaking  
nobody understands why your crying

you kneel down on bended knees your praying  
asking God to not let you die theres just so much  
more that you gotta do  
oh please don't let me fall apart

is this the end of me? is my life really over this time?

have you ever wondered what life would be like is it  
wasnt so complicated?  
have you ever wondered why it is that peoples hearts  
grow cold?  
have you ever?  
have you ever?  
have you ever cried yourself to sleep at night thinking  
that the pain would fade away? and  
have you ever sat there just watched your life pass you  
by?  
have you ever?

have you ever?  
have you ever wished for love to come along and  
sweep you off your feet and pull you out of the dark  
waters  
out of the darkness that surrounds you  
have you ever?  
have you ever?  
have you ever?  
have you ever?  
have you ever?  
have you ever?
