There is not a day goes by
That I don't think of you
Day's months even years go by
And you're always on my mind
You're always on my mind

I miss those days
When we used to be so young
Laughing and playing on the swings
Holding hands
Singing and dancing in the rain
We were there for each other
When times got tough

I miss those days
When we used to talk on the phone
For hours
While we laid in bed
And stared into the endless night
I miss those days

It's been so long since
We said goodbye
Tears on my face
I cry at night
Wishing you would just come
Walking through the door

Hold me and never let me go
Say you'll stay here with me
Forever, forever
Cause I can't bare to live
Another day without you
without your love

I miss those days
When we used to be so young
Laughing and playing on the swings
Holding hands
Singing and dancing in the rain
We were there for each other
When times got tough

Bring back those sweet, sweet nights
I miss those days
When we used to talk on the phone
For hours
While we laid in bed
And stared into the endless night
I miss those days

I miss those days
When we used to be so in love
I miss those days
When we used to be so happy
But most of all
I miss those sweet words that you say
When you say I love you too

I miss those days
When you held me tight
When I cried you wiped away my every tear
When I was feeling blue
You always knew
How to make me laugh
I miss those days

I miss you so, so, so much
I miss you so, so, so much
I miss you so, so, so much
I miss you so, so, so much

I miss you so, so, so much
I miss you so, so, so much
I miss you so, so, so much
I miss you so, so, so much

I miss you so, so, so much
I miss you so, so, so much
I miss you so, so, so much
I miss you so, so, so much

I miss you so, so, so much
I miss you so, so, so much
I miss you so, so, so much
I miss you so, so, so much
