got my shoes on my bags packed up and I am ready to  
head out the door  
I'm off on another adventure this time I'm not even  
sure where I am going  
but I promise when i get to wherever it is I'm going I'll  
give you a call  
tell you how I have been I promise I won't leave you in  
the dark  
I promise...I promise...I promise  
I'll still be around in the darkest of nights  
I promise...I promise...I promise  
I'll come running back as fast as I can

and hold you in my arms I won't let you go when you  
need a friend I'll be the one to love you with every beat  
of my heart  
I promise...I promise...I promise  
I promise...I promise...I promise  
I promise...I promise...I promise  
I promise...I promise...I promise
