### CHORUS:

Love is the answer  
Love is the answer  
Yeah, Jesus Christ is the answer to our prayers  
From up above  
Love is the answer  
Love is the answer  
There is no other like you  
No one beside you  
Love is the answer  
Love is the answer

### VERSE ONE:

You held my hand  
Through the stormy weather  
I've been through the fire and the rain  
You wiped away all my tears  
When I cry  
You comfort me with your unfailing love

### VERSE TWO:

I can't even begin to find  
The words to express  
The gratitude I have in knowing  
That you have truly set me free  
I can't even begin to find  
The words to express  
The way I feel, the way I feel inside

### CHORUS:

Love is the answer  
Love is the answer  
Yeah, Jesus Christ is the answer to our prayers  
From up above  
Love is the answer  
Love is the answer  
There is no other like you  
No one beside you  
Love is the answer  
Love is the answer

### VERSE THREE:

You are my shelter from the rain

My shelter from the raging storms  
The healer for my pain

VERSE FOUR:

You are my Lord my God  
You are my redeemer  
A constant friend to me  
Source of love  
You're the reason I live  
The reason that I sing  
You are my saving grace  
A love that never ends

CHORUS:

Love is the answer  
Love is the answer  
Yeah, Jesus Christ is the answer to our prayers  
From up above  
Love is the answer  
Love is the answer  
There is no other like you  
No one beside you  
Love is the answer  
Love is the answer

CHORUS:

Love is the answer  
Love is the answer  
Yeah, Jesus Christ is the answer to our prayers  
From up above  
Love is the answer  
Love is the answer  
There is no other like you  
No one beside you  
Love is the answer  
Love is the answer
