i'm out of control,i'm out of control,i'm out of control
throw your hands up in the air
go crazy let it all fall out
your tears your fears let it all fall away
i'm out of control,i'm out of control,i'm out of control
i am letting go of my past and i am moving on
full speed ahead not holding back
got to look to the future
no one knows what the future may bring
but come what may whatever will be is fine with me

cause i'm stronger then ever b 4
and with love on my side(with love on my side)+2
i can make it through the fire and the rain
the thunder and and the fury of anybody's anger
i'm out of control,i'm out of control,i'm out of control
i'm out of control,i'm out of control,i'm out of control
