I got this feeling  
Hidden deep inside of me  
I got these secrets  
I have never told anyone before  
So

Here I am again  
Confessing to you  
These secrets to you  
So many unsaid things and  
So much time on my hands  
I don't know what to do

I got to find  
Something out there  
That's meant for me  
I got to search for  
All the possibilities  
I can't give up now

No, no, no, no  
No, no, no, no  
No, no, no, no  
No, no, no, no

Here I am again  
Confessing to you  
These secrets to you  
So many unsaid things and  
So much time on my hands  
I don't know what to do  
Here I am again  
Confessing to you  
These secrets to you  
So many unsaid things and  
So much time on my hands  
I don't know what to do

I got these feelings inside of me  
I got a fire  
Burning inside my soul  
My hearts on fire

Coz baby I'm so inlove with you  
So inlove with you  
Inlove with you tonight

Here I am again  
Confessing to you  
These secrets to you  
So many unsaid things and  
So much time on my hands  
I don't know what to do

I can't hide them away anymore  
Cause it's not fair  
Too keep you hanging on by a thread  
Yeah, yeah
