im here your holding me in your arms
you kiss me and tell me that you love me
you kiss me and your calling me honey
you call me beautiful with a smile upon your face

ive never felt like this before
is this truely what its like to be so in-love
baby im so in-love with you
you make my heart beat so fastly
im so in-love so in-love with you baby

sometimes when im on my own
i stop and think about my life
where ive been the places ive seen
and i stop and think about
what my life would be life if i didnt have you
and then i soon realize that
i would be so incomplete if i didnt have you
if i aint got you then im nothing

ive never felt like this before
is this truely what its like to be so in-love
baby im so in-love with you
you make my heart beat so fastly
im so in-love so in-love with you baby
