when i look at the world around me  
i stand amazed that  
someone like you  
could ever love someone like me  
and i am so amazed that  
you would sacrifice your life

i am so thankful for having you  
in my life  
i am so thankful for having  
you love and grace  
abound in me  
yeah i am so thankful  
to have you deep in my heart

when i'm sitting at home  
just watching my tv  
the news comes on the worlds gone wrong  
but i know that wherever i go  
there you are  
right beside me

when i wake up  
each and every morning  
i wake up with a smile upon my face  
knowing that you love me  
knowing that your there  
knowing that you care  
takes my breath away

i am so thankful for having you  
in my life  
i am so thankful for having  
you love and grace  
abound in me  
yeah i am so thankful  
to have you deep in my heart

i sing this prayer to you  
i come to you  
with a truthful heart  
and i want to say

how much i love you

i hunger for more of you  
everyday of my life  
i hunger for the holy spirit  
everyday  
i long for more of you  
to make me stronger

when i look at the world around me  
i stand amazed that  
someone like you  
could ever love someone like me  
and i am so amazed that  
you would sacrifice your life

i am so thankful for having you  
in my life  
i am so thankful for having  
you love and grace  
abound in me  
yeah i am so thankful  
to have you deep in my heart

when i'm sitting at home

but i know that wherever i go

when i wake up
