pacing back and forth back and forth in my room
 wondering why my heart had to break
 before the fall
 everything seems so perfect and now i see
 i finally realised that its not all that

its not all rainbows and butterflies and sunshine
 its not all happiness and smiles all round
 no
 it goes so much deeper so much deeper than this
 im just living my life in the fast lane
 living my life in the fast lane

i am playing it all over in the back of my mind
 all the things that could be
 its not as easy as it may seem
 no no no

its not all rainbows and butterflies and sunshine
 its not all happiness and smiles all round
 no
 it goes so much deeper so much deeper than this
 im just living my life in the fast lane
 living my life in the fast lane

living my life in the fast lane
 living my life in the fast lane
 the fast lane
 the fast lane
