i dont need anybody telling me what i can and cant do
i dont need anybody telling me what i should wear and
what
not to
i dont need anybody telling me what to say or not to
no no
because...
this is my life...i just wanna live my life for me
this is my life...i just wanna live happily and freely
instead of people standing over me
been so damn overprotected
this is my life this is my life

i dont need anybody telling me what i can and cant do

i dont need anybody telling me what i should wear and
what
not to
i dont need anybody telling me what to say or not to
no no
because...
this is my life...i just wanna live my life for me
this is my life...i just wanna live happily and freely
instead of people standing over me
been so damn overprotected
this is my life this is my life
