i found a shoebox underneathe the bed
i opened it and i was shocked
at what i found
i found photographs of you and some other girl

my knees buckled under and
i fell to the ground i cried
on the bathroom floor
that was the moment that it all fell apart

i am torn and worn so thin
i believed all your lies
you say you love me
but i know thats not true
i am torn and worn so thin

right now im sitting here
fighting back these tears
fighting away my fears
trying to be strong in a time like this

im not sure what to do now or where to go
right now i feel all mixed up and confused
why did you hav to go and break my heart

i am torn and worn so thin
i believed all your lies
you say you love me
but i know thats not true
i am torn and worn so thin

i am torn and worn so thin
i believed all your lies
you say you love me
but i know thats not true
i am torn and worn so thin
