there you go again saying that you love me
you're only fooling yourself
thinking that you're gonna get with me
but no i wouldn't
even if you pulled out a diamond ring and
asked me to marry you

i wouldn't take you back
after you hurt me
you ripped out my heart
and you tore it into pieces
now i'm broken...i'm broken
no i wouldn't take you...i wouldn't
take you back

did you even care about me at all?
did you ever love me?
or was that all a lie too? some sort of
cover story just to cover you're butt

i wouldn't take you back
even if you wrote me a love song
or even if you got down on bended knees
and beg me for forgiveness
no i wouldn't take you...i wouldn't
take you back

and now time has come and passed us by
i am stil laying here on the dirty floor
picking up the pieces of a broken heart
and you don't even give a damn

i wouldn't take you back
you tore my heart up and
you treated my love like just
another word
i feel so betrayed and so hurt
you had me fooled
i was decieved by your every lie
but no not again
no i wouldn't take you...i wouldn't
take you back

tell me what do i have to do
to make you see my heart is breaking
my heart is aching it longs for you
i just want to love you
but you make it so damn hard

i can't breathe here without you
but i know that i have to
i have to be strong and i will survive
even if it all goes wrong
even if it all goes bad it's going to be okay
yeah because i'm stronger then before

i wouldn't take you back
even if i tried
i wouldn't never be the same now that you have
gone and broken my heart
you had your chance at loving me
but you blew it
no not again...not again
no i wouldn't take you...i wouldn't
take you back
no i wouldn't take you...i wouldn't
take back
no i wouldn't take you...i wouldn't
take you back no never again

you betrayed my trust
the bond of love has been broken
no hope for us seems so far away
and i'm just trying to find
something to hold onto
something to believe in i feel weak
and my heart feels weary
been weighed down but a week of concerns

all this pain and misery that you put me through
i can't believe i was so stupid for believing
that maybe you could really be the one
no i can finally that it was all just a lie
another way of getting me close to you

no i'm letting it all go
i'm letting go of something
that just isn't there...anymore...anymore

no i wouldn't take you...i wouldn't
take you back
no i wouldn't take you...i wouldn't
take you back...tonight...tonight

no i wouldn't take you...i wouldn't
take you back
no i wouldn't take you...i wouldn't
take you back...tonight...tonight

no i wouldn't take you...i wouldn't
take you back
no i wouldn't take you...i wouldn't
take you back...tonight...tonight
no i wouldn't take you...i wouldn't
take you back
no i wouldn't take you...i wouldn't
take you back...tonight...tonight
