Lets all wrap him in chains
and throw him into the lake
As how many more lies can the
world take.
Buy me a dream for a dollar
Then act like Fonzie popping ya collar

You'll always be a Geek at a Bank
and Number 1 will be what I rank
All your people can kiss my ass
I'll remember you as ya see a hasbeen past

Ever heard of Vanilla Ice and Hammer
As every guy in America take turns and slam her
write me a song with my name
So I can destroy all your worthless fame

A apartment to hide all the shame
I've just begun this little game
you should have minded your own thing
Everyone knows the Bitch cant sing

Lets all wrap him in chains
and throw him into the lake
As how many more lies can the
world take.
Buy me a dream for a dollar
Then act like Fonzie popping ya collar
