Fuego, yeah, Hot Rod  
Listen up baby girl, meet me on the dance floor  
We gonna take this one to the moon, moon, moon,  
moon

Oh, I got it you got it we can have it together  
Me in back and you in front of me that feel so much  
better  
So DJ play my song, DJ play my song,  
We rocking to this shit, all night long  
And now the dance floor's on fire, make it rain up in the  
club  
The way you moving got me thinking I'm in love  
One finger to the sky and thank Him up above  
Together we so amazing, we so amazing

Dance with me tonight and if you wanna rock with me  
tonight  
Then you should be on top of me tonight  
Then we're gonna ride it babe, ride me babe, aye  
Dance with me tonight and if you wanna rock with me  
tonight  
Then you should be on top of me tonight  
Then we're gonna ride it babe, ride me babe, aye

Tonight we got the dance floor burnin' up, moving to  
the beat  
Got my hands all over you and yours all over me  
No English, body language we don't have to speak  
It's getting hot, I think it's 'bout time for something to  
drink  
And now the dance floor's on fire, make it rain up in the  
club  
The way you moving got me thinking I'm in love  
One finger to the sky and thank Him up above  
Together we so amazing, we so amazing

Dance with me tonight and if you wanna rock with me  
tonight  
Then you should be on top of me tonight  
Then we're gonna ride it babe, ride me babe, aye

Dance with me tonight and if you wanna rock with me  
tonight  
Then you should be on top of me tonight  
Then we're gonna ride it babe, ride me babe, aye  
Tonight, tonight, tonight, tonight, tonight, tonight,

I take the stage with the pain, and let the money rain in  
I'm not into hating, your b\*tch I just done laid in  
My mission is submission, let you out on one condition  
Let me rock it till you give in, cause I gotcha, gotcha

Dance with me tonight and if you wanna rock with me  
tonight  
Then you should be on top of me tonight  
Then we're gonna ride it babe, ride me babe, aye  
Dance with me tonight and if you wanna rock with me  
tonight  
Then you should be on top of me tonight  
Then we're gonna ride it babe, ride me babe, tonight,  
tonight

Dance with me tonight and if you wanna rock with me  
tonight  
Then you should be on top of me tonight  
Then we're gonna ride it babe, ride me babe, aye  
Dance with me tonight.
