Is it any wonder she came so far and fell so sure?
Is it any wonder she climbed so so high to close the
door?

Angeline, in a drunken daze profess your love for
everyone,

Our drummer plays, your daughter drowns, and your
father boxed me in the fun

Michelle, my Belle, I feel you may have run away,
Maybelline, could you ever believe the things you'd
say,

Roxanne, I feel your red dye is uneven when you turn it
off,

Angeline I heard will stay as the flame, and you're the
moth.

Angeline, Angeline,
(vocalizations)

Angeline in a drunken daze profess your love for
everyone

Our drummer plays, your daughter drowns and your
father boxed me in the fun
