[Girl]

You know it's you

You know it's you

You know it's you

You know it's you

So tell me what we gonna do

Oh

Whoa

Whoa

Oh

Whoa

Whoa

My baby

There's something everytime

I know baby it's so true

I can't explain it

I just wanna talk to you and tell you how I feel every
time I see your face

Baby this love is real

I cannot let it go

You know I'm all for you

So what we gonna do

What we gonna do

Oh

Whoa

Every time I see your face I just gotta talk to you

There's something

Every time

I know

Baby it's so true

I can't explain it

I just wanna talk to you and tell you how I feel every
time I see your face

Baby this love is real

I cannot let it go

You know I'm all for you

So what we gonna do

What we gonna do

[Boy]

What's it gonna be

[Girl]

Every time I see your face I know it's true

Maybe there's something I gotta say
I'm just in love with you and I know you're the one for
me
So what's it gonna
What's it gonna be
H Two O
And I need to know how you feel about me
So give me a call right now
I'll be alone and I'll come by tonight and you can get to
know me
[Boy]
I just wanna talk to you and tell you how I feel
[Girl]
(Come on)
[Boy]
Every time I see your face I know this love is real
[Girl]
(Ooh)
(Baby it's true)
[Boy]
I need you girl
You're the only one for me
So what's it gonna be
So what's it gonna be
(What's it gonna be)

Every time I sit alone I think of you
Your eyes
Your thighs
Your lips got me thinking things I wanna do
And I know that you're that girl for me
So what's it gonna
What's it gonna be
What's it gonna be
Yeah
What's it gonna be
What's it gonna be
Yeah
[Girl]
Oh
Baby it's you
[Boy]
What's it gonna be
Yeah
What's it gonna be
What's it gonna be
Yeah
[Girl]
When I met you boy everything was cool
It was like a dream
I was so in love

You was so in love
It was meant to be
Running side by side until the morning light
Boy you and me
So take my hand
This is my plan
It's destiny
Boy I love to get to know you better
Something about you I can't explain
It's just the way you are
I like the things you do
So what we
What we gonna do
Every time I see you I notice your smile
[Boy]
I see your face
I know that it's real
[Girl]
I cannot let it go
You know I'm all for you
[Both]
So what we
What we gonna do
[Girl]
I just wanna talk to you and tell you how I feel
(All night long)
Every time I see your face
Baby this love is real
(I see your face)
I cannot let it go
You know I'm all for you
(What we gonna do baby)
So what we gonna do
What we gonna do
You know my baby
You know that it's true
Ooh
All I wanna do
Oh
Oh
Oh
You know you be moving your body
H Two O
Can't stop it baby
Move your body
