This time,
the win is mine,
my perfect life, my perfect life.
room spin,
don't know how to stop,
don't know how to start, don't know how to start.

firecracker,
the one you keep inside,
firecracker,
you don't know how to light,

so sink,
in the tailspin,
of plans and sleep, of plans and sleep,
or come, and crush me tight,
my favourite high, my favourite high!

here comes the film,
PG 13! PG 13! PG 13!
crack down,
no net, no cage,
no first mistake. no first mistake.
