This time, the win is mine
My perfect life, my perfect life
Room spin, don't know how to stop
Don't know how to stop, don't know how to start

Firecracker, the one you keep inside
Firecracker, you don't know how to lie

So sink, in the tailspin
Of plans and sleep, of plans and sleep
Or come and crush me tight
My favorite high, my favorite high

So sink, in the tailspin
Of plans and sleep, of plans and sleep
Or come and crush me tight
My favorite high, my favorite high
Firecracker, the one you keep inside
Firecracker, you don't know how to lie

Here comes the film, PG-13
PG-13, PG-13
Crack down, no net, no cage
No first mistake, no first mistake

This time, the win is mine
My perfect life, my perfect life

Firecracker, firecracker
Firecracker, the one you keep inside
Firecracker, you don't know how to lie
Firecracker, the one you keep inside
Firecracker, you don't know how to lie
