So quiet
And the ring around the moon
It's neither heaven nor space, it's just high
looks like light and love
Neither of which I get enough of

Down there

Where alot of people lie, In a deep sleep

And months on end go by, in a single week
Down there
But much too slow

The air is running out we're sinking much too low
Can't you see I'm trying so hard to plug up this hole
you can hear ghost trains
And if you sit long enough

As if the city speed
And coaxes close as we, get to sugar cane
is just in our brains

Down there

But much too slow
Can't you see I'm trying so hard to plug up this hole,
The air is running out we're sinking much too low

So quiet, So quiet

It's neither heaven nor space, It's just high
And the ring around the moon
Looks like light and love
Neither of which I get enough of

Neither of which I get enough of
