"Neither Heaven Or Space"

So quiet
It's neither heaven nor space, it's just high
And the ring around the moon
looks like light and love
Neither of which I get enough of
Down there
Where alot of people lie, In a deep sleep
And months on end go by, in a single week
Down there

But much too slow
Can't you see I'm trying so hard to plug up this hole
The air is running out we're sinking much too low
And if you sit long enough
you can hear ghost trains
As if the city speed
is just in our brains
And coaxes close as we, get to sugar cane
Down there

But much too slow
Can't you see I'm trying so hard to plug up this hole,
The air is running out we're sinking much too low
So quiet, So quiet
It's neither heaven nor space, It's just high
And the ring around the moon
Looks like light and love
Neither of which I get enough of
Neither of which I get enough of
