Stalemate, stalemate  
When do I jump out of the cake?  
Stalemate, stalemate  
When do we admit it's a fake?  
Stalemate, stale  
When do I jump out of the cake?

I'm the nervous watcher  
And I watch  
Time to turn it on  
But I turn it off

70% of the time  
I watch  
Useless and over the line  
Stuck

Stalemate, jailbreak  
When do we admit it's not safe?  
It's not safe in a jail  
When do we admit it's not safe?  
It's not safe in a safe  
When do we admit it's not safe?

I'm the nervous watcher  
And I watch  
Time to turn it on  
But I turn it off

70% of the time  
I watch  
Useless and over the line  
Stuck

Should have been a wreck  
Might have been a wreck  
I don't know how it can last  
I don't know why it doesn't crash

Should have been a wreck  
Might have been a wreck  
I don't know how it can last

I don't know why it doesn't crash

Stalemate, stalemate  
When do I jump out of the cake?  
Stalemate, stalemate  
When do we admit it's a fake?

Stalemate, stalemate  
Stalemate, stale  
Stalemate, stalemate  
When do I jump out of the cake?
