I saw this ol' dog he was chasin' this rabbit
I saw a dog a'chasin' this rabbit
I saw this dog he was chasin' this rabbit
It was on Sunday, about noon.

I said to the rabbit, "Are ya gonna make it?"
I said the rabbit, " Ya gonna make it?"
I said to the rabbit, "Are ya gonna make it?"
The rabbit said said, "Well, I got to."

Well, a woman's heart's a sacred thing
A woman's heart's a sacred thing
A woman's heart's a sacred thing
So what's a man to do?

"Try a little tenderness," Otis Redding said
"Try a little tenderness," is what he said
"Try a little tenderness," Otis said
Then he said, "I got to, got to, good God, watch me
work!"

There's two kinds of people in the world
There's two kinds of people in the world
There's two kinds of people in the world
The day people and the night people.

And it's the night peoples' job
It's the night peoples' job
It's the night peoples' job
To get the day peoples' money

Well between the Devil and the deep blue sea
Between the Devil and the deep blue sea
Between the Devil and the deep blue sea
That's where I am, I don't know what that means

Maybe it means I'm funky and cool
Maybe it means I'm funky and cool
Maybe it means I'm funky and cool
I seriously doubt if that's what it means.

"If it's in the groove, everybody loves it"

"If it's in the groove, everybody loves it"
"If it's in the groove, everybody loves it"
Howlin' Wolf said that.

We've a short time to be here
We've a short time to be here
We've a short time to be here
So get out of your rut and get in your groove
Get out of your rut and get in your groove
Get out of your rut and get in your groove
