Well a woman I love is named Ramona  
She kinda looks like Tempest Storm  
And she can dance like little Egypt  
She works down at the snake farm  
Chorus:

Snake Farm Â— it just sounds nasty  
Snake Farm Â— well it pretty much is  
Snake Farm Â— it's a reptile house  
Snake Farm Â— Uuuggghhhhh.....  
Well Ramona's got a keen sense of humor  
She got a tattoo down her arm  
It's of a python eatin' a little mouse  
Wearin' a sailor hat that says snake farm

Chorus

I asked Ramona how come she works there  
She says it's got it's charms  
Nothing to do in the winter  
Now and then some kid gets bit at the snake farm

Chorus

Well Ramona likes her malt liquor  
And a band from Wales thats called The Alarm  
She said she cried when they broke up  
She still plays their records at the snake farm

Chorus

Sometimes Ramona calls me up  
And says come on down here, it's getting warm  
She runs everybody off  
And we...you know...it's a snake farm

Chorus

Chorus
