Sure is mellow grazin' in the grass (grazin' in the grass,
yes, baby, can you dig it?)

What a trip just watchin' as the world goes past (grazin'
in the grass, yes, baby, can you dig it?)

There are too many groovy things to see while grazin'
in the grass (grazin' in the grass, yes, baby, can you
dig it?)

Flowers with colours for takin', everything outta sight
(grazin' in the grass, yes, baby, can you dig it?)

The sun peekin' out between the leaves (grazin' in the
grass, yes, baby, can you dig it?)

And the bir-ir-ir-irds dartin' in and out of the trees
(grazin' in the grass, yes, baby, can you dig it?)

Everything here is so clear, you can see it

And everything here is so real, you can feel it

And it's real, so real, so real, so real, so real, so real

Can you dig it?

I can dig it, he can dig it, she can dig it, we can dig it,
they can dig it, you can dig it

Oh, let's dig it. Can you dig it, baby?

I can dig it, he can dig it, she can dig it, we can dig it,
they can dig it, you can dig it

Oh, let's dig it. Can you dig it, baby?

Oh, let's dig it. Can you dig it, baby?
