So this is heartache, I've forgotten how to  
breathe right now,  
its taken me over like i never dreamed it could,  
we tell lies and we believe them,  
but i see them looking in your eyes,  
this might be over but my heart isn't ready  
to go.

So keep my tears from my lover,  
don't blow my cover,  
she doesn't know i, i cry.  
Oh, am i too scared to end it,  
too far gone to mend it,  
i know that its broken but i,  
i just cant throw us away, (i, just cant, i just cant)  
cant throw us away (i just cant)

lets go back, early November,  
you remember, by the candlelight,  
we made, a promise we'd both smile,  
when it's time to say goodbye,  
and thats why, all of the hurt cried, all the tears cried,  
all the sleepless nights,  
we made deep on the inside,  
never show, never tell, know it hurts like hell,  
So keep my tears from my lover,  
don't blow my cover,  
she doesn't know i, i cry.  
Oh, am i too scared to end it,  
too far gone to mend it,  
i know that its broken but i,  
coz i know that if I just accept this now theres no  
turning back,  
this aint no two way track,  
maybe we'll make it someday,  
but for now can i just say,

keep my tears from my lover,  
don't blow my cover,  
she doesn't know i cry, cry  
Oh, am i too scared to end it,  
too far gone to mend it,

i know that its over but i, i just cant throw us away (keep  
my tears from my lover, don't blow my  
cover)

Oh, am i too scared to end it too far gone to mend it,  
i know, that i, i just cant throw us away, oh no, oh no, i  
cant throw us away...
