Deep in my heart, there's a fire, a burning heart
Deep in my heart, there's desire for a start
I'm dying in emotion
It's my world in fantasy
I'm living in my, living in my dreams

You're my heart, you're my soul
I'll keep it shining wherever I go
You're my heart, you're my soul
I'll be holding you forever, stay with you together

You're my heart, you're my soul
Yeah, feeling that our love will grow
You're my heart, you're my soul
That's the only thing I really know

Let's close the door and believe my burning heart
Feeling alright, come on open up your heart
I keep the candles burning
Let your body melt in my
And living in my, living in my dreams
