I had a flash from the future/ we were bitter, old and grey

Yeah I was making you dinner/ You couldn't think of a word to say

I tried to picture a lifetime of not waking up next to you I couldn't shake off this feeling/ deception grew and grew

'Cause it's the pulse that feeds the lonely It's the beat that doesn't stray Yeah it's the pulse that feeds the lonely and the lonely is here to stay Hoo Hoo Hoo I'm gonna catch up to you Hoo Hoo Hoo I'm gonna catch up to you See I been chasing your shadow/ It never stays in one place I've been fighting the distance of this never ending race

Cause it's the pulse that feeds the lonely It's the beat that doesn't stray Yeah it's the pulse that feeds the lonely and the lonely is here to stay Hoo Hoo Hoo I'm gonna catch up to you Hoo Hoo Hoo I'm gonna catch up to you

'Cause it's your pulse thats made me lonely/ Now I'm tired and a wreck Yeah it's your pulse thats made me lonely/ and I'm feeling kinda sick

(Your pulse has made me lonely/ your pulse has made me sick

Your pulse has made me lonely/ your pulse has made me sick)

Hoo Hoo Hoo I'm gonna catch up to you Hoo Hoo Hoo I'm gonna catch up to you Hoo Hoo Hoo I'm gonna catch up to you Hoo Hoo Hoo I'm gonna catch up to you Hoo Hoo Hoo I'm gonna catch up to you Hoo Hoo Hoo I'm gonna catch up to you
