Hey Mr. D.J., play a good song
Been trying to get through all night long
Cause I need some inspiration to call her up
If you could play something by George Strait
Any longer it might be too late
Cause I know she's getting calls from other guys
I Cross My Heart would be the best
Then my fingers could do the rest
Cause this might be the start of something big

Hey lead singer, sing a good tune
You know something we could dance to
Cause I need some inspiration to ask her up
If you could sing something by George Strait
Any longer it might be too late
Cause I know she's being asked by other guys
You know The Chair would be the best
Then my boots could do the rest
Cause this might be the start of something big

Ah yeah
Everybody on the swing

Yeah "Baby Blue" is a great song
But please don't wait too long
Cause this might be the start of something
Help me reach the heart of someone
This might be the start of something big
