Bridge,
Touch me tell me,
That you want me...
Ohh la la...

Verse 1:
It's gettin' too intense
With all this sexiness
Excites me all the way...
I'm tryin' to get a grip,
My resistance starts to slip,
You make me feel that...
Woah...

Chorus:
Down deep down slow down
Ya don't know what ya doin'
So tell me babe,
Down deep down slow down,
I wanna feel you do it within.
Down deep down slow down,
I can see you starin' back at me babe!
Down deep down slow down.
Can ya feel the vibe start to begin?

(Ohh la la)

Verse 2:
I can see you and me.
Doin' things we shouldn't be.
Ya all gonna do it the only way.
The closer that we get.
I'm gonna start to sweat
When I feel like...
Woah...

(Repeat bridge and chorus)

Touch me tell me.
That you want me...
Oh la la...

(Repeat chorus x2)
