you saved my heart
you don't even know me
you saved my dream
you heard me scream

Whoa

my lost soul was saved by a stranger
who saved my life
you saved my life

why did you do it
what made you stop and turn around
do you even know the reason
why you had to help me out

just when I knew it
it was my time to sink or swim
you came along and pulled me out
of all the trouble I was in

why did you do it
why did you risk your life for mine
who'd have done the same for you
who'd have saved you just in time

you saved my heart
you don't even know me
you saved my dream
you heard me scream

Ooh

you saved my soul
love that you have shown me
you saved my life
you saved my life

where did you come from
how did you know I was alone
that I never stood a chance
to find a way out on my own

you sent a message
that I was hanging by a thread
by this very time tomorrow
they will leave me here for dead

why did you do it
why did you risk your life for mine
who'd have done the same for you
who'd have saved you just in time

you saved my heart
you don't even know me
you saved my dream
you heard me scream

Whoa
my lost soul was saved by a stranger
who saved my life
you saved my life

save my life
(save my life)
save my heart
(save my heart, and you don't even know me)

ooh

save my soul,
(save my soul)
save my dream,
(save my dream)
save my life

Ooh

you saved my heart
(saved my heart)
you don't even know me
(you don't know)
you saved my dream
(saved my dream)
you heard me scream

whoa

my lost soul
(my lost soul)
was saved by a stranger
(saved by love)
who saved my life

(saved my life)
you saved my life

you saved my heart
(saved my heart)
you don't even know me
(you don't know)
you saved my dream
(saved my dream)
you heard me scream

Whoa

my lost soul
(my lost soul)
was saved by a stranger
(saved my life)
who saved my life
(saved my life)
you saved my life
