Oh, I'm in reverse again.  
And it's worse than it was before  
Now I'm feeling like a Hurricane  
Hold my feed down to the floor

You say you're in control again  
Much like you were before  
Now I'm feeling like a Satellite  
Buring message and sing of all

Oh, I'm miss your love again  
Oh, I'm miss your love again  
And if I don't feel your love again  
Then I'm over, oveeeeeerrrr

Say that, your hurting now  
Just like you were before  
When I feel a bit like a Hurricane  
Hold yourself now and lose me for

Oh, I'm miss your love again  
Oh, I'm miss your love again  
And if I don't feel your love again

Then I'm over, oveeeeeeeerrrr

Stop, don't bother with words anymore  
Now you stopped in the words I'm calling inside of you

Oh, I'm in reverse again  
Much like I was before  
And if I don't feel your love again  
Then I'm over, oveeeeeeeerrrr

Oh, I'm miss your love again  
Oh, I'm miss your love again  
And if I don't feel your love again  
Then I'm over, oveeeeeeeerrrr

Oh, I'm miss your love again  
Oh, I'm miss your love again  
And if I don't feel your love again

Then I'm over, oveeeeeeeeeerrrr
