i'm turning inside out. i don't remember why. i don't  
know who i am. (faster, faster)  
i'm turning inside out. i don't know who you are. i can't  
remember why. (faster, faster)

i hate you more than i hate myself.  
now i'm just as empty, broken, bruised as you.

i'm glad that you can't see the wreck that i've become.  
i hope you're happier.  
so hard to say goodbye.

i'm losing all my faith, faith that i never had. i don't  
know what to do. (faster, faster)  
i think i lost myself somewhere inside of you. i don't  
know what to do. (faster, faster)  
i made i promise but i can't remember what. i don't  
know what to do. (faster, faster)

i hate you more than i hate myself.  
now i'm just as empty, broken, bruised as you.

i'm glad that you can't see the wreck that i've become.  
i hope you're happier.  
so hard to say goodbye.  
when does this nightmare end?  
so i can get some sleep.  
i'll tear the heavens down so you don't have to go.

the filthy things that i want to do to you.  
goddamn just make it go away.  
the fucking things that i would do to you.  
goddamn just make this go away.

i'm glad that you can't see the wreck that i've become.  
i hope you're happier.  
so hard to say goodbye.  
when does this nightmare end?  
so i can get some sleep.  
i'll tear the heavens down so you don't have to go.

you can't hurt me anymore because i'm already dead.
