

I Blame Coco

We're made from dust
You from anger, I from lust
In justice we stride
Side by side, where birds fly
And people die with pride

By singing songs I praise
How we play reggae all day
Everything will be okay, I hope.
Kato [x11]

I'll take the pain, so no restrain
'Cause passion pulses in through my veins
Your monsters are calling and I am strained
You tease and torment me 'cause this is my cage

By singing songs I praise
How we play reggae all day
Everything will be okay, I hope
Kato [repeat]
