Oh, oh  
Can we hold hands  
If it's cold outside  
Do it if you can  
Just don't feel obliged  
Are we in love?  
Maybe in my mind  
Are we in love?  
We can compromise  
I can't be strong, oh, oh  
But babe, I'll try  
'Cause I'll never be your own

Even if I stole him, control him,  
Dictate him, indoctrinate him  
Fix him, convince him  
I'll never be his own

Even if he stole me, control me,  
Dictate me, indoctrinate me  
Fix me, convince me  
I'll never be his own

Can we change hands  
Can I change your mind?  
Change your plans  
You know I can't change mine  
'Cause I'm in love  
I think I'm tied

Yes I'm in love  
With my other side  
I can't be strong, oh, oh,  
But babe, I'll try  
'Cause I'll never be your own  
'Cause you'll never be my own  
'Cause I'll never be your own  
'Cause you will never be my own  
'Cause I'll never be your own

Even if I stole him, control him,

Dictate him, indoctrinate him  
Fix him, convince him  
I'll never be his own

Even if he stole me, control me,  
Dictate me, indoctrinate me  
Fix me, convince me  
I'll never be his own  
[x2]

'Cause I'll never be his,  
I'll never be his  
I'll never be his own  
[x2]
