From the beat of the silent thinker  
To the feet of the stompin' crowd  
Just another early drinker  
Who knows that thinkin' makes the world go round

From the bottom of the third drumwell  
(I'm stuck in)  
To the ruins of a burned down house  
(I live in)

Just another silent thinker  
Just lookin' for a place to drown

It's like the tick tock of a bomb blockin' my head  
When the beat stops sometimes I think I'm dead  
It's like the tick tock of a bomb blockin' my head  
When the beat stops

I said please rewind  
Please rewind it  
I said please rewind

So if you ask me my opinion  
You heard it from the horse's mouth  
I said there is no jurisdiction  
For the people in think town

Can you hear my thought like I hear them?  
Can you speak them as they sound?  
If you amplify the distance  
To the beat of the ground

It's like the tick tock of a bomb blockin' my head  
When the beat stops sometimes I think I'm dead  
It's like the tick tock of a bomb blockin' my head  
When the beat stops

I said please rewind  
Please rewind it  
I said please rewind  
Please rewind it

It's like a paranoid voice of confusion  
Protects you from that thought  
It's like the thought of a silent thinker  
As I sink into that mind of yours

It's like the tick tock of a bomb blockin' my head  
When the beat stops sometimes I think I'm dead  
It's like the tick tock of a bomb blockin' my head  
When the beat stops sometimes I think I'm dead

It's like the tick tock of a bomb blockin' my head  
When the beat stops sometimes I think I'm dead  
It's like the tick tock of a bomb blockin' my head  
When the beat stops

I said please rewind  
Please rewind it  
I said please rewind  
Please rewind it

I said please rewind  
(Paranoid voice of confusion)  
Please rewind it

I said please rewind  
(Paranoid voice of confusion)  
Please rewind it

Please rewind
