We're coming back again  
This time to let you know  
I don't care where you've been  
And I'm all ears (tonight)  
Ponte en mi lugar  
Tanto que tapar  
Dejame que estoy  
De tan mal umor  
You keep rushing the days  
To find that we haven't the time

This year  
All that I ever hear  
Somehow in 20 years  
We'll disappear  
It's so clear  
All that I overhear  
Somehow in 20 years  
We'll disappear

Absent from all the fears  
And I constantly let it go  
Silently keep me here  
While you scream these words tonight  
Pero mueve pa'tras  
Quitate el disfras  
Eleva tu voz  
Y grita por dos  
You keep rushing the days  
Just to find that we haven't the time

This year  
All that I ever hear  
Somehow in 20 years  
We'll disappear  
It's so clear  
All that I overhear  
Somehow in 20 years  
We'll disappear

We are living sin  
Seems to be

We don't exist  
2300 years and  
No one cares  
We just keep  
Rushing the days just to find that we haven't the time
