We are not the same, I am not to blame
'Cause you've rearranged the truth
You just suffocate while I medicate
When I wipe the slate I'm done with you

Run for shelter dig for wealth
But all the treasures live within you
Nest your maker take the stem
Surrender your arms to a tree

And I'm breaking away from everything beautiful
And all I am is fading I'm restless
And lying away and nothing is obvious
And all I am is fading and wasting away

I am not afraid y salvando me
This mistake you made too soon
Y que vas hacer? Quien te va creer?
Well you make this bed to lie for you

It's time to wake up contemplate
But something's missing non-existing
Corre tiempo, estas sufriendo
Tu eres duena de todo

And I'm breaking away from everything beautiful
And all I am is fading I'm restless
And lying away and nothing is obvious
And all I am is fading and wasting away

Tus labios have taken
Las palabras deldolor
In your eyes que me quitan
Lo que estoy pensando yo

And I'm breaking away from everything beautiful
And all I am is fading I'm restless
And lying away and nothing is obvious
And all I am is fading and wasting away

I'm breaking away from everything beautiful
And all I am is fading I'm restless

And lying away and nothing is obvious
And all I am is fading and wasting away
