

Ill Nio **"Fallen"**

Be yourself
I wonder if this was great
I'll be myself
Want to know if this can go far
Contigo quiero ser un par
I wonder if this would wind up nowhere

Is it alright, fallen at my face
No es lo mismo sin ti

Be yourself
You wonder if this was bad
I'll be myself
Want to know if we can go far
Contigo quiero ser un par
Wonder if this would wind up nowhere

Pues la cosa se puso muy violent
Right. right.
Pues la cosa se puso muy fuerte
