Sometimes I feel like
The world is looking over my shoulder
I don't know why
But I feel my patience getting shorter

I don't want to know
I don't want to feel
I don't want to be
I don't want to sound crazy

I don't want to sound insane
But I can't take the pressure
Have you ever felt the same?
Like you just need to run away

I don't want to sound insane
But I can't take the pressure
Have you ever felt the same?
Like you just need to run away

Away, away

The tension builds
But I feel the walls are getting thicker
And then I still
Make believe that I am feeling better

I don't want to know
I don't want to feel
I don't want to be
I don't want to sound crazy

I don't want to sound insane
But I can't take the pressure
Have you ever felt the same?
Like you just need to run away

I don't want to sound insane
But I can't take the pressure
Have you ever felt the same?
Like you just need to run away

Away, away, away, away

I don't want to sound insane
But I can't take the pressure
Have you ever felt the same?
Like you just need to run away

I don't want to sound insane
But I can't take the pressure
Have you ever felt the same?
Like you just need to run away

I don't want to sound insane
But I can't take the pressure
Have you ever felt the same?
Like you just need to run away

I don't want to sound insane
But I can't take the pressure
Have you ever felt the same?
Like you just need to run away
