[Peter Gabriel cover]

Red rain is coming down
Red rain
Red rain is pouring down
Pouring down all over me

I am standing up at the water's edge in my dream
I cannot make a single sound as you scream
It can't be that cold, the ground is still warm to touch
This place is so quiet sensing that storm

Red rain is coming down
Red rain
Red rain is pouring down
Pouring down all over me

Well I've seen them buried,
In a sheltered place in this town
They tell you that this rain can sting and look down
La sangre ne estÃ¡ y yo no veo ningÃºn signo de dolor
Hey, no pain
Seeing no rojo, I see no rain

Red rain is coming down
Red rain
Red rain is pouring down
Pouring down all over me

Putting the pressure on much harder now
Restar again and again
Just let the red rain splash you
Let the rain fall on your skin
I've come to you defences down
With the trust of a child

Red rain is coming down
Red rain is coming down
Red rain is pouring down all over me
I'm begging you

Red rain is coming down

Red rain is coming down
Red rain is coming down all over me
I'm begging you

Red rain, coming down
Red rain, coming down
Red rain is coming down all over me
I'm begging you
