"False Idols"

Visit "[False Idols](#)" on MotoLyrics.com

Look as they worship. These are false gods. Not worthy
of attention. Wealth and
Possession. The golden calf; Smash your idols. Destroy
distraction. Exchanging truth
For a lie. Masters of the world and bringers of death.
Blinding the people of the truth.
Wealth and possession. The golden calf. Smash your
idols. Destroy distraction. Rid
Yourself of the things that blind you. This is the war
within us. Wealth and possession.
The golden calf; Smash your idols. Destroy distraction.
Kill your idols destroy.
