Open your eyes as the rivers run red. Open your eyes
as the skies turn black. You speak,
Yet they do not listen. They see the signs, but they
heed no warning. Stretch out your
Hands to these hardened hearts and humble those
who stand against you. They will
Know that you are God! You are exalted among the
nations. You are exalted in the
Earth, Only you are wroth. You speak, yet they do not
listen. They see the signs, but
They heed no warning. Stretch out your hands to these
hardened hearts and humble
Those who stand against you. Open their eyes stretch
out your hand until they can
Understand that you are worthy. They will know that
you are God. Stretch out your
Hands until they can understand that you are worthy.
You are wroth. You speak, yet
They do not listen. They see the signs, but they heed
no warning. Stretch out your
Hands to these hardened hearts and humble those
who stand against you.
