

Nadia Oh

"Day By Day"

Visit "[Day By Day](#)" on MotoLyrics.com

I never knew I could fall in love again
Cause my heart was weak and worn
But you promised me that you would love me
And that we'd be one forever

Nothing compares to the love that you and I share
Just be careful with my heart and I'll love you always

Joh shim seu rae dah gah oh neun nuhl Chuh eum euh
