Do you remember when we first met?
The way you looked(yeah)
I can't forget
I smiled at you
And you smiled back
It felt just like a heart attack
It happened time and time again
I couldn't wait to see you again
Your big brown eyes
Your pretty hair
And this is what I said
I didn't even care

(Chorus)
I know your name
I got ur number
I know your game
And now I wonder
If you want me
Like I want you
I got your name
And I got ur number

Now I don't know
Quite what to do
Cause all I think of
Is calling you
But do you feel
The same way too?
Cause I know I
I'm feeling you
Don't get it twisted
I know I'm hot
Just need to know
If you feel me or not
I know your name
I got ur number
And if you want me baby
I can come over

(Chorus)

All I want to do
Is see you again
All I want to do
Is see you again

(Chorus)
I now your name I got your number
