I see your girl but she don't do it like me
She's not that type, I see it in your eyes
You need a freak, someone to keep your secret
A girl like me who knows what's on your mind

You know I'm hot, I see you looking at me
Stop wasting time and come with me tonight
Stop spending money on me, make up your mind
If you're coming home with me you're running out of
time

My Egyptian lover
My Egyptian lover
There is no other
My Egyptian lover

My Egyptian lover
My Egyptian lover
There is no other
There is no other

I see you boy but you don't holla at me
I think you're shy, I'll show you what to do
I'll be your dog come to you when you call me
Just close your eyes and dance with me tonight

You make me hot, you got me going crazy
You're on my mind and make my heart go boom
Stop acting shady on me and wasting time
Then you can take me on your magic carpet ride

My Egyptian lover
My Egyptian lover
There is no other
My Egyptian lover

My Egyptian lover
My Egyptian lover
There is no other
There is no other

My Egyptian lover

My Egyptian lover
There is no other
My Egyptian lover

My Egyptian lover
My Egyptian lover
There is no other
There is no other
My Egyptian lover
