There's just one thing,  
That we need you to know

We ain't bout the better things,  
We ain't bout what money brings

It's the love within,  
That's what makes us complete

If you'd only understand,  
You'd be all the better man

We need a little hugging, kissing,  
To show you care

Nothing more than simple love

Don't try to buy our loving, feeling,  
It gets you nowhere

Let us lead the way

Everyday, put a smile upon our face  
Every night, always being by our side  
Everyday, try to show what's in your heart baby

And love us more than yesterday

Insecurities, hold you back from our needs

This relationship could be,  
So much more than you believed

Love is always true,  
When it's deep within you

Nothing left to understand,  
You'll now be the better man

We need a little hugging, kissing,  
To show you care

Nothing more than simple love

Don't try to buy our loving, feeling,  
It gets you nowhere

Let us lead the way

Everyday, put a smile upon our face  
Every night, always being by our side  
Everyday, try to show what's in your heart baby

And love us more than yesterday
