Too many promises, too many reasons I recall  
Too many people, I see the writing on the wall, oh yeah  
I must have got you wrong, what kind of world do you  
live in? Oh  
I've waited far too long I know where you've been

Don't you tell me you don't know  
(Don't you tell me)  
Don't you tell me you don't know  
(You don't know)

Am I a sacrifice, am I a fool too blind to see  
I'm not a vagabond, I know what is, is meant to be, hey  
There is a better way, there comes a time I do believe,  
hey  
There is a price to pay and I know where you've been

Don't you tell me you don't know  
(Don't you tell me)  
Don't you tell me you don't know  
(Don't you tell me)  
Don't you tell me you don't know  
(Don't you tell me)  
Don't you tell me you don't know

Standing in a waterfall  
Trying to ease your shame  
Deep inside this tragedy  
I try to kill my pain, don't you tell me

Standing in a waterfall  
Trying to ease your shame  
Deep inside this tragedy  
I'm trying to kill my pain, don't you tell me

Don't you tell me you don't know  
(Don't you tell me)  
Don't you tell me you don't know  
Don't you tell me you don't know  
(Don't you tell me)  
Don't you tell me you don't know
