It hasn't been a bed of Roses since I started on my way
and Lord you
know i'm not complaining theres just something I
should say For I've
reached desperation and I've stumbled since my start
I've grown
weary thru the years now I'm crying bitter tears from
the depths of
my heart.

CHORUS:

From the depths of my heart Lord i'm call ing out to you
for
I need you here to lead me, I've done all that I can do
Lord I'm trying
to do my part to see that others make it thru and tho I
know I don't
deserve you, still I'm trying hard to serve you from the
depths of my
heart.

It's not a prayer just from the lips, It goes much deeper
than
words.Its not a worthless expression I just need to be
heard for Lord
I need to reach your throne I know exactly what I'll do I'll
just fall
down on my knees I know you will hear the pleas from
the depths
of my heart.

CHORUS:

From the Depths of my heart, Lord I'm calling out to you
for I need you here to lead me, I've done all that I can
do, Lord I'm
trying to do my part to see that others make it thru and
tho I know I
don't deserve you, still I'm trying hard to serve you
from the depths
of my heart.

And tho I know I don't deserve you still I'm trying hard
to serve you

from the depths of my heart.
